### AN ACT OF KINDNESS

#### A Maysville Resident Speaks Publicly for the Benefit of Maysville People.

If you had suffered tortures from kidney trouble, Had experienced with different remedies without relief;

If you were finally cured through a friend's suggestion— Wouldn't you be grateful?

The following statement has been given under just such circumstances: Mr. Gallenstein has used Doan's Kidney Pills.

He publicly tells of the benefit he has received.

His simple act of kindness to other Maysville sufferers.

No need to experiment with such convincing evidence at hand.

Mr. Gallenstein speaks from experience.

You can rely on what he tells you.

Henry Gallenstein, blacksmith, Popular St., Maysville, says: "Doan's Kidney Pills are the best of kidney medicines. I have used different kinds and no other has ever equalled this one. When my kidneys were out of order and I had pain in my back, I used Doan's Kidney Pills. They stopped the pains and strengthened my kidneys. The cure has been permanent."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gallenstein had. Foster-Milburn Co., Props., Buffalo, N. Y.

## WHY WOMEN WRITE LETTERS

To Lydia E. Pinkham Medicine Co.

Women who are well often ask "Are the letters which the Lydia E. Pinkham Medicine Co. are continually publishing, genuine?" "Are they truthful?" "Why do women write such letters?"

In answer we say that never have we published a fictitious letter or name. Never, knowingly, have we published an untruthful letter, or one without the full and written consent of the woman who wrote it.

The reason that thousands of women from all parts of the country write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and suffering. It has relieved women from some of the worst forms of female ills, from displacements, inflammation, ulceration, irregularities, nervousness, weakness, stomach troubles and from the blues.

It is impossible for any woman who is well and who has never suffered to realize how these poor, suffering women feel when restored to health; their keen desire to help other women who are suffering as they did.

### 250,000 UNION WORKERS IN N. Y. STRIKE TODAY

New York, September 26—With the announcement by labor leaders that approximately 250,000 union workers in various trades would quit their places tomorrow in aid of the striking carmen here, it was believed tonight that the efforts to tie up virtually all industries in Greater New York had reached an acute stage. The union officials declare that an additional 100,000 workers would strike Thursday, and another 100,000 Friday, making a total of 450,000 out by the end of the week.

It was asserted that 6,000 brewery workers, 115,000 employees in the building trade and 250,000 members of the United Hebrew trade were in favor of a sympathetic strike.

Twelve thousand teamsters also are reported ready to quit work Thursday or Friday. A meeting of the executive council of the building trade was called for Thursday to take final action, after the business agents in Manhattan and the Bronx had voted for the strike.

Mayor Mitchell, whose efforts to settle the differences between the striking carmen and the transit companies have failed repeatedly, summoned the labor leaders before him as soon as he heard of their plans. He said he desired to be informed directly as to what might be expected tomorrow. The union officials, he announced, told him they expected 200,000 workers to strike "as a starter."

## GRAND JURY

Adjourned Yesterday Afternoon After Retaining Seven More Indictments—State That Turnpikes of Mason County Are in Bad Shape—Recommend Commission Form of Government.

The September term of the Mason County Grand Jury adjourned yesterday afternoon after returning 39 indictments during their present session. In their final report they scored the road system of Mason county and also recommended the commission form of government for the county. Their final report was as follows:

To the Hon. C. D. Newell, Judge Mason Circuit Court:

We, the Grand Jury for the September term of court, make the following report: We have examined 95 witnesses, found 39 true bills and dismissed six. We have examined the public offices and jail and found them in good order. We also looked in the management of the turnpikes of Mason county and find that it can be no worse. There has been no effort made to turn the water off the pikes; no ditching of any consequence has been done. All the work done on the pikes has been done by the day, which is very expensive. We find the whole system impractical and recommend a commission form of government. No further business, we ask to be discharged.

BEN H. MARSHALL, Foreman.

The following indictments were returned by the jury:

Norman Epps—Suffering gambling on premises, bail \$200.

John Clarke—adultery, bail \$100.

W. H. Farwick—Violating local option law, bail \$200.

Commodore Gillespie—Carrying concealed a deadly weapon, bail \$100.

Commodore Gillespie—Rape, bail \$200.

John Settles—breaking into a store house of another with intent to steal therefrom, bail \$300.

John Clark—Carrying concealed a deadly weapon, bail \$100.
